1. WARRANTY COVERAGE

Mae Fence Company warrants its qualifying Mae Fence-branded aluminum fencing products to the original purchaser against defects in material and manufacturing for the lifetime of the product under normal residential use.

Aluminum fencing installed by Mae Fence Company is warranted against defects resulting from improper installation workmanship, including gates, gate hardware, and all components, for three (3) years.

2. WARRANTY EFFECTIVE DATE

This warranty becomes effective upon completion of the fence installation and receipt of final payment in full under the installation contract. The lifetime material and three-year installation warranties begin on the warranty effective date.

3. COVERAGE DETAILS

For approved warranty claims, Mae Fence Company will, at its discretion, repair or replace the affected components using the same or reasonably comparable materials. All necessary materials and labor will be provided at no charge to the customer.

Replacement materials may vary slightly in color, texture, or finish due to normal production differences.

Warranty repairs do not extend or restart the original warranty period.
